Join our SLOWER LIVING CLUB

No phones. Just people.

A Slower Living Club is a regular, in-person get-together for people who want to live at a slower speed. Once a month we put our phones in a shoebox and talk, walk, write letters, play cards, swap books.

- ✓ Whatever phone you carry is welcome. It spends the meeting in the box.
- ✓ No dues, no app, no email list, no subscription.
- ✓ Nobody has to talk.
- ✓ Ninety minutes, once a month.
